Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

FIAMETTA

The south wind trembles through the grass—
Let it pass.
You will not come my way
Any day.

A white star trembles through the mist
Purple and amethyst.
But Night lets fall
Her hooded pall,
And I am glad because the white star dies.

No stars surprise
Your close-shut eyes.

GREETING

Over the wave-patterned sea-floor,
Over the long sun-burnt ridge of the world,
I bid the winds seek you.
I bid them cry to you
Night and morning
A name you loved once;
I bid them bring to you
Dreams, and strange imaginings, and sleep.

Ella Young
